Re: Docket #120 – North Valley 230kv Facility Siting Project

November 10, 2002

To Whom it May Concern,

Please be aware that I am **vehemently** opposed to the installation of powerlines on the West side of the I-17 frontage road between Happy Valley and Dixileta.

As a mother of two young children, I am surprised that this initiative has been proposed in an area with such a dense residential population.

I ask that you find another route for these power lines as I believe the close proximity to our home would pose a threat to our children and our community.

Thank you for your prompt attention to this matter.

Sincerely,

Robynne T. Marcil
